		#	%	#	%	#	%	#	%
Total Institution									
Biology									
Chemistry									
Psychology									
Mathematics									
Other ³									

Instructions: In a table (Table 1) provide data (average number and percentage) on undergraduate students' enrollment for the previous four years. Enter data for the overall institution and for each participating department/school separately (examples are shown; include others as appropriate).

¹Include Alaska Natives and natives of the U.S. Pacific Islands.

²Include and identify any other categories that the institutional policy has determined to be underrepresented in biomedical or behavioral research fields.
