	#	%	#	%	#	%	#	%	#	%
Biology										
Chemistry										
Psychology										
Mathematics										
Other ¹										

Instructions: In a table (Table 3) provide data (average number and percentage) on undergraduate students' graduation for the previous four years. Enter data for the overall institution and for each participating department/school separately (examples are shown; include others as appropriate).

¹ Include Alaska Natives and natives of the U.S. Pacific Islands.

² Include and identify any other categories that the institutional policy has determined to be underrepresented in biomedical or behavioral research fields.
